TARGET MOVE OUT PROCEDURES - NEW FOR 2024

Move Out Schedule Changes

- Move out will begin one (1) hour after the show ends to allow for gaming equipment and machinery empties to be returned.
- Gaming technicians will be permitted to enter through Hall A lobby entrance only.
- No third-party, exhibitor appointed contractors or labor are allowed to enter the exhibit hall or start move out until 4:00 PM.

Empty Returns

- The building has limited space and truck docks, so Freeman must keep over 300 truckloads of freight in a location more than 5 miles away. This means that it can take up to 12 hours for crates to arrive at your booth.
- Please consider this time frame when you plan your staff travel and hotel arrangements after the show.

Target Move Out Deadlines

- Your target move-out is your assigned date/time that your carrier should be checked in for pickup. We have created separate deadlines for gaming/slot machinery and exhibitor-provided aerial rigging and lighting.
